

**DIRE DAWA UNIVERSITY INSTITUTE OF TECHNOLOGY**  
**School of Computing Registrar Coordinator**  
**Mid-Exam Schedule for Regular 2016**

**Tentative**

2<sup>nd</sup> Year, 1<sup>st</sup> semester, Computer Science A.Y.2016, (Cs Building R-1)

| Date           | Course Name                     | Morning | Time   |  | Afternoon | Time | Invigilators |
|----------------|---------------------------------|---------|--------|--|-----------|------|--------------|
| 23/07/16 E.C   | Probability and Statistics      |         | 2:00LT |  |           |      |              |
| 25/07/16 E.C   | Fundamentals of Programming II  |         | 2:00LT |  |           |      |              |
| 27/07/16 E.C   | inclusiveness                   |         | 2:00LT |  |           |      |              |
| 30/07/16 E.C   | Fundamental of Database Systems |         | 2:00LT |  |           |      |              |
| 01/08/16 E.C   | Linear Algebra                  |         | 2:00LT |  |           |      |              |
| 02/08/2016 E.C | Introduction to Economics       |         | 2:00LT |  |           |      |              |
| 03/08/16 E.C   | Digital Logic Design            |         | 2:00LT |  |           |      |              |

2<sup>nd</sup> Year, 1<sup>st</sup> semester, Information Technology A.Y.2016 SS, (Cs Building R-3)

| Date           | Course Name                                       | Morning | Time   |  | Afternoon | Time | Invigilators |
|----------------|---|---------|--------|--|-----------|------|--------------|
| 23/07/16 E.C   | Introduction to Statistics                        |         | 2:00LT |  |           |      |              |
| 25/07/16 E.C   | Fundamental of Programming II                     |         | 2:00LT |  |           |      |              |
| 27/07/16 E.C   | Inclusiveness                                     |         | 2:00LT |  |           |      |              |
| 30/07/16 E.C   | Fundamental of Database System                    |         | 2:00LT |  |           |      |              |
| 01/08/16 E.C   | Global Trend                                      |         | 2:00LT |  |           |      |              |
| 02/08/2016 E.C | Introduction to Economics                         |         | 2:00LT |  |           |      |              |
| 03/08/16 E.C   | Fundamentals of Electricity and Electronic Device |         | 2:00LT |  |           |      |              |

2<sup>nd</sup> Year, 1<sup>st</sup> semester, Software Engineering A.Y.2016 SS, (Cs Building R-5)

| Date           | Course Name   | Morning | Time   |  | Afternoon | Time | Invigilators |
|----------------|---|---------|--------|--|-----------|------|--------------|
| 23/07/16 E.C   | Fundamentals of Software Engineering                      |         | 2:00LT |  |           |      |              |
| 25/07/16 E.C   | Fundamentals of Programming II                            |         | 2:00LT |  |           |      |              |
| 27/07/16 E.C   | inclusiveness   |         | 2:00LT |  |           |      |              |
| 30/07/16 E.C   | Introduction to Economics                                 |         | 2:00LT |  |           |      |              |
| 01/08/16 E.C   | Introduction to International Relations and Global Issues |         | 2:00LT |  |           |      |              |
| 02/08/2016 E.C | Discrete Mathematics and Combinatory                      |         | 2:00LT |  |           |      |              |
| 03/08/16 E.C   | Entrepreneurship and Business Development                 |         | 2:00LT |  |           |      |              |

**3<sup>rd</sup> Year, 1<sup>st</sup> semester, Computer Science A.Y.2016, (block 19 room-4)**

| Date         | Course Name                    | Morning | Time   |  | Afternoon | Time   | Invigilators |
|--------------|--------------------------------|---------|--------|--|-----------|--------|--------------|
| 23/07/16 E.C | Automata and Complexity Theory |         |        |  |           | 9:00LT |              |
| 25/07/16 E.C | Python Programming             |         |        |  |           | 9:00LT |              |
| 27/07/16 E.C | Internet Programming I         |         |        |  |           | 9:00LT |              |
| 28/07/16 E.C | Java Programming               |         |        |  |           | 9:00LT |              |
| 30/07/16 E.C | Software Engineering           |         |        |  |           | 9:00LT |              |
| 01/08/16 E.C | Global Trends                  |         | 2:00LT |  |           |        |              |
| 03/08/16 E.C | Operating Systems              |         |        |  |           | 9:00LT |              |

**3<sup>rd</sup> Year, 1<sup>st</sup> semester, Information Technology A.Y.2016 SS, (CS Blg Room-4)**

| Date         | Course Name                 | Morning | Time |  | Afternoon | Time   | Invigilators |
|--------------|-----------------------------|---------|------|--|-----------|--------|--------------|
| 23/07/16 E.C | Telecom Technologies        |         |      |  |           | 9:00LT |              |
| 25/07/16 E.C | Multimedia Systems          |         |      |  |           | 9:00LT |              |
| 27/07/16 E.C | Internet Programming II     |         |      |  |           | 9:00LT |              |
| 28/07/16 E.C | Object Oriented Programming |         |      |  |           | 9:00LT |              |
| 30/07/16 E.C | System Analysis and Design  |         |      |  |           | 9:00LT |              |
| 01/08/16 E.C | Advanced Database Systems   |         |      |  |           | 9:00LT |              |

**3<sup>rd</sup> Year, 1<sup>st</sup> semester, Software Engineering A.Y.2016 SS, (CS Blg Room-4)**

| Date         | Course Name                              | Morning | Time   |  | Afternoon | Time | Invigilators |
|--------------|--|---------|--------|--|-----------|------|--------------|
| 23/07/16 E.C | Software Engineering Tools and Practices |         | 2:00LT |  |           |      |              |
| 25/07/16 E.C | Data Communication and Computer Network  |         | 2:00LT |  |           |      |              |
| 27/07/16 E.C | Computer Organization and Architecture   |         | 2:00LT |  |           |      |              |
| 28/07/16 E.C | Object Oriented Programming              |         | 2:00LT |  |           |      |              |
| 30/07/16 E.C | Software Requirements Engineering        |         | 2:00LT |  |           |      |              |
| 01/08/16 E.C | Design and analysis of Algorithm         |         | 2:00LT |  |           |      |              |
| 03/08/16 E.C | Advanced Database Systems                |         | 2:00LT |  |           |      |              |

4<sup>th</sup> Year, 2<sup>nd</sup> semester, Computer Science A.Y.2016 SS, (CS Blg Room-1& 2)

| Date         | Course Name                            | Morning | Time |  | Afternoon | Time   | Invigilators |
|--------------|--|---------|------|--|-----------|--------|--------------|
| 23/07/16 E.C | Network and System administration      |         |      |  |           | 9:00LT |              |
| 25/07/16 E.C | Computer maintenance technical support |         |      |  |           | 9:00LT |              |
| 27/07/16 E.C | Elective II (Data Mining)              |         |      |  |           | 9:00LT |              |
| 28/07/16 E.C | Introduction to Distributed Systems    |         |      |  |           | 9:00LT |              |
| 30/07/16 E.C | Selected topics in Computer Science    |         |      |  |           | 9:00LT |              |
| 01/08/16 E.C | History of Ethiopia and the horn       |         |      |  |           | 9:00LT |              |

4<sup>th</sup> Year, 2<sup>nd</sup> semester, Information Technology A.Y.2015 SS, (CS Blg Room-3)

| Date         | Course Name                          | Morning | Time |  | Afternoon | Time   | Invigilators |
|--------------|--------------------------------------|---------|------|--|-----------|--------|--------------|
| 23/07/16 E.C | System and Network Administration    |         |      |  |           | 9:00LT |              |
| 25/07/16 E.C | Social and Professional Ethics in IT |         |      |  |           | 9:00LT |              |
| 27/07/16 E.C | Network Device and Configuration     |         |      |  |           | 9:00LT |              |
| 28/07/16 E.C | Information Security and Assurance   |         |      |  |           | 9:00LT |              |
| 30/07/16 E.C | history of Ethiopia and the horn     |         |      |  |           | 9:00LT |              |

4<sup>th</sup> Year, 2<sup>nd</sup> semester, Software Engineering A.Y.2016 SS, (CS Blg Room-5)

| Date           | Course Name                             | Morning | Time |  | Afternoon | Time   | Invigilators |
|----------------|---|---------|------|--|-----------|--------|--------------|
| 23/07/16 E.C   | Real Time and Embedded Systems          |         |      |  |           | 9:00LT |              |
| 25/07/16 E.C   | Recent Topics in Software Engineering   |         |      |  |           | 9:00LT |              |
| 27/07/16 E.C   | Probability and Statistics              |         |      |  |           | 9:00LT |              |
| 28/07/16 E.C   | Software Project Management             |         |      |  |           | 9:00LT |              |
| 30/07/16 E.C   | Principles of Compiler Design           |         |      |  |           | 9:00LT |              |
| 01/08/2016 E.C | Introduction to Artificial Intelligence |         |      |  |           | 9:00LT |              |
| 03/08/2016 E.C | Software Testing and Quality Assurance  |         |      |  |           | 9:00LT |              |
